LED T8 Tubes of equivalent dimensions are suitable to replace 16/18W 2ft, 32/36W 4ft or 51/58W 5ft fluorescent T8 lamps in luminaires containing standard non-shunted G13 (medium bi-pin) lamp holders.

BEFORE YOU BEGIN

to install the LED T8 tube, please read the entire installation guide carefully.

Product is not intended to be used with dimmers and emergency light luminaires. This LED T8 tube is designed for use with electronic control gear, it is not suitable for direct connection to mains. This LED T8 tube is not suitable for direct replacement of linear fluorescent lamp in luminaires where two lamps are connected in series with one conventional control gear.

WARNING Risk of Electric Shock. Disconnect power before installation of the product.

Do not disassemble this product and replace any LED or other internal components. When the light source reaches its end of life the whole tube shall be replaced.

Retrofit / Electronic Ballast System

- 1) Turn power off by disconnecting the supply voltage
- 2) Remove current fluorescent lamps and dispose of them properly based on local regulations
- 3) Check fluorescent socket for damage. If damaged replace with one of the exact configuration and rating. Insert T8 LED lamp
- 4) Turn power back on and check for proper operation

This lamp is designed for general lighting service (excluding for example explosive atmospheres).

This lamp may not be suitable for use in all applications where a traditional fluorescent lamp has been used. The temperature range of this lamp is more restricted. In cases of doubt regarding the suitability of the application the manufacturer of this lamp should be consulted.

Lamp suitable for high frequency operation

Dimming not allowed

Lamp not suitable for emergency operation

Lamp to be used in dry conditions or in a luminaire that provides protection

Processing of electric and electronic equipment at the end of their service life. This symbol indicates that the product must not be processed with household waste. It must be brought to an electric and electronic waste collection point for recycling and disposal. Please contact your municipality, local waste disposal centre or the store where the product was purchased.
