Entry Checklist

Checklist for required entry elements. Refer to the Entry Rules and Terms and Conditions for complete details.

- Entry form (typed in English) with all the necessary information, including all required signatures of designers/consultants and photographers.
- A 100-word project overview.
- Up to ten (10) digital images of the completed installation. A photographer's credit line must accompany each image.
- An individual, typewritten, descriptive caption for each image, entered on a separate sheet. In total, captions should describe the project in 500 words or less.
- A lamp and/or fixture schedule detailing specific lamp types and quantities.
- If the project is also being submitted as an entry for Award for Sustainable Design, additional documentation is required, along with a 250-word project overview.

Entry submissions become the property of GE and will not be returned.

The entrant is responsible for the accuracy of any information submitted; and warrants that it has secured reproduction privileges, releases and approvals of all images and other materials submitted to GE for this competition and that the information contained in the lamp and/or fixture schedule is accurate and not misleading. All submitted material must be available for use by GE for promotional and advertising purposes including use on the World Wide Web. Photographers will receive credit for their work, but will not receive reimbursement or remuneration for published photographs.
