Checklist for required entry elements. Refer to www.geedisonaward.com for full Call for Entries overview and pertinent materials, including Rules & Eligibility, Terms & Conditions, Submitting Images and Entry Form.

- Entry Form (typed, in English) with all the necessary information, including all required signatures.
- A 100-word project overview.
- Up to ten (10) digital images. A photographer's signature and credit line must be provided for each image.
- An individual, typewritten, descriptive caption for each image, entered on a separate sheet. In total, captions should describe the project in 500 words or less and should include details referenced in #4 of Rules and Eligibility.
- A lamp and fixture schedule detailing specific lamp types and quantities.
- Additional documentation for entries submitted for the **Award for Excellence in Environmental Design** category, including a separate, 250-word overview that addresses the sustainability aspect of the project (refer to Item #7 in Rules & Eligibility).

Entry submissions become the property of GE and will not be returned.

The entrant is responsible for the accuracy of any information submitted; and warrants that it has secured appropriate reproduction privileges, releases and approvals of all images and other materials submitted to GE for this competition and that the information contained in the lamp and fixture schedule is accurate and not misleading. All submitted material must be available for use by GE for promotional and advertising purposes including use on the World Wide Web. Photographers will receive credit for their work, but will not receive reimbursement or remuneration for published photographs.

Completed entries must be received by GE (in Cleveland, Ohio) by 5:00 p.m. Eastern Standard Time 11 January 2010.
