

22nd Annual GE Edison Award Call for Entries

GE is proud to announce its 22nd annual call for entries for the GE Edison Award. The GE Edison Award recognizes excellence and quality in professional lighting designs that employ significant use of GE lamps.

The call for entries is open to lighting professionals who use primarily GE lamps in a lighting design project installed during the 2004 calendar year. Entries must be received by January 10, 2005 to be considered.

New [entry requirements](#) include digital images and other changes to improve the entry and judging processes.
