Switch to NIGHTHAWK™ lamps for all your automotive miniature lighting needs.

Consumers want more light both in and out of their vehicles.

As Consumers spend more time in their vehicles for business or pleasure, brighter lights make a difference!

- Navigating at night with brighter dome or map lighting
- Finding all the essentials in the glove compartment
- Locating everything you need in your trunk or cargo compartment
- Brighter directional and sidemarker lights puts your car in view
- Stepping up to the truck or SUV door is easier with improved lighting
- Letting oncoming traffic know you are there is more obvious with brighter parking lights
- Reading license plates at night is easier
- Watching your speed with brighter instrument lighting
- Locating all the essentials inside your car is easier with brighter interior lighting
- Improved vehicle messaging with brighter exterior directional lighting
