

Let's illuminate what your Smart Switch can do:

1

Create the perfect lighting scene for every scenario.

Go to **CYNC App** and preset the optimal light levels under **routines**.

2

Automate your lights to turn on when you come home.

Go to **CYNC App** and schedule times to turn lights on and off under **routines**.

3

Control other CYNC or C by GE bulbs in the room with your switch.

Go to **CYNC App**. Add bulbs and switches to the same room or group. (sold separately)

GE and C by GE are trademarks of General Electric Company. Used under trademark license.

PK-00100717-3

Connect to your Alexa or Hey Google device to control your lights with your voice.

Try these voice commands:

Amazon Alexa

Alexa, turn off the living room.

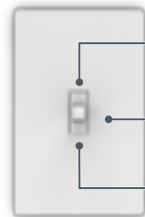

Alexa, good morning.

Hey Google

Hey Google, turn on the lights.

Hey Google, I'm leaving.
